LEGGETT & PLATT EXTENDED ELECTRICAL PARTS COVERAGE

APPLIES TO PREMIER, PRODIGY, DESIGNER & S - CAPE MODELS

VALID ON ORDERS PLACED ON OR BEFORE JUNE 30TH, 2017

Richmond Bedding will pay for the cost of any needed lift motors, massage motors, circuit boards or any other electrical components located within the base of your Premier, Prodigy, Designer or S-Cape for as long as you own your bed. This coverage takes effect after the Standard Leggett & Platt Three (3) Year Electrical Warranty expires. This Extended Coverage is not intended to supercede the Manufacturer's Warranty, but to act as a supplement to their Warranty.

Richmond Bedding will pay the shipping costs of the replacement parts and does not require that you send us the old part. Leggett & Platt will assist you in troubleshooting any problem you may have if you call their Service Center at 800-888-3078. Once they determine a new electrical part is required we will verify the diagnosis with them and have them ship the OEM Replacement Part to you at no charge the same day.

*What This Limited Warranty Does Not Cover

We do not cover remote controls. Remotes can be dropped, thrown, stepped on, or subjected to various kinds of abuse. We do not cover lightning or electrical power surge related damages. Lightning strikes damaging items in your home are a Homeowners Insurance issue. We cover component failure as a result of normal wear and tear. If a Leggett & Platt Authorized repair technician makes a determination of improper use or abuse each situation will be dealt with on a case-by-case-basis.
